Salton Sea Watershed Outdoor Displays

Designed to create general awareness of major issues, especially those the public can help solve through lifestyle changes. Displays will help people identify and connect with the Salton Sea Watershed.

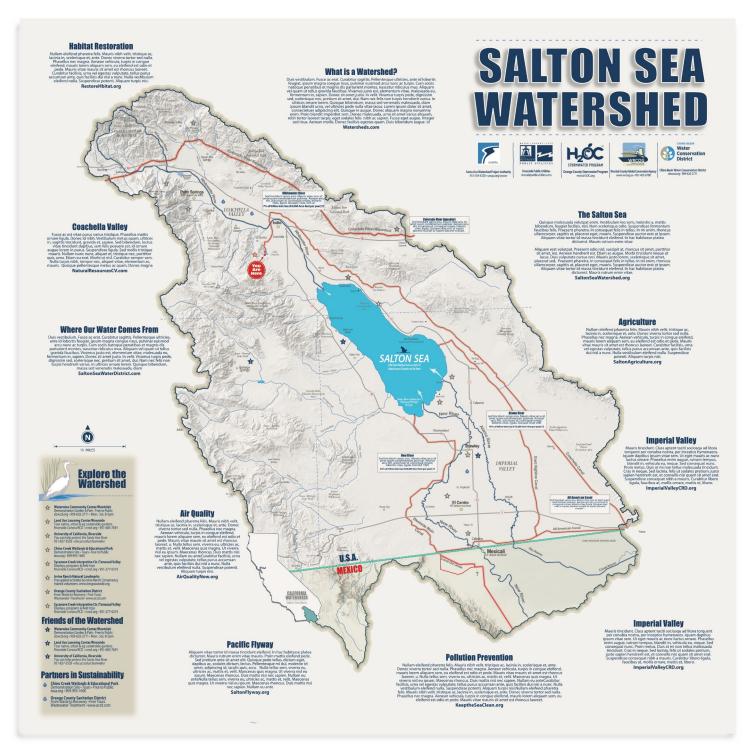

Actual Size: 36" x 36" • Made for the outdoors • Will need 2 posts or a structure to mount it on • Approximately 35 -50 displays will be posted throughout the Salton Sea Basin

Help Promote a Healthy Watershed

- No charge to have display installed we just need something to attach it to either an existing structure or two posts in the ground You are not financially responsible for theft or vandalism
- Displays are installed and owned by Bri Communication and generally updated every two to three years
 There is a simple agreement that gives both parties the right to remove the display if desired
 - If you decide you don't want the display simply notify us 25 years experience Public Approved!

Low-Resolution Mock-upActual Size: 36" x 36" • Printed on light-weight aluminum panels - made for the outdoors

Reserve a display - call Paul Sherwin at 206-378-1055 or email paul@bricomm.com
